Becoming a Loveland Habitat for Humanity sponsor is an excellent way to engage your organization in the community and make a lasting difference in the lives of individuals and families who are in need of decent, safe, affordable housing.

Homeownership is transformational. In a 2021 Impact Study conducted by Habitat Colorado, Habitat homeowners reported positive changes in their life since moving into their home.

98%

of Habitat homeowners observed a stable or positive impact on their children's performance in school since moving into their Habitat home.

91%

experienced better mental health for themselves and 90% observed improvements in their family's health.

95%

of Habitat homeowners reported that they could not have owned a home without the help from Habitat for Humanity.

The Annual Builder's Ball is Loveland Habitat for Humanity's biggest fundraising event of the year. With your support, we can continue our vision of a world where everyone has a decent place to live.
