

2024 WOMEN BUILD

Over the last 14 years, Loveland Women Build volunteers from all walks of life have come together to build stronger, safer communities. Women Build provides empowering opportunities for women to take a proactive step in serving their community and learn valuable skills while doing it! Volunteers work under the guidance of construction professionals and alongside other volunteers and future Habitat homeowners.

"I felt very proud of helping; humbled by the stories and empowered by the women around me. It was an amazing experience!"

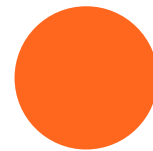

THE CAUSE

1 in 6 U.S. households spend more than 50% of their income on housing. Participating in Women Build aids individuals and families in need of a decent, affordable home.

YOUR TEAM

Think of who you know - family, friends, colleagues, other like-minded individuals who would want to come out for a day of giving back. Women Build is a flat rate of \$1,000 for a team of up to 10. Your donation is tax deductible and helps us with our affordable housing mission!

GET INVOLVED

Use the QR code below to pre-register for the event! Following your pre-registration, a Habitat staff member will be in contact with you to schedule your build day, gather volunteer info, payment, scheduling, etc.

This year, Women Build teams will be working on one specific Habitat home over the course of two months. Throughout the months of May and June, teams will start a build from the foundation up! Before the future homeowners move in, a special dedication will take place honoring the hard work of Women Build volunteers.
